

Morisky Widget MMAS License

This Morisky Widget MMAS-8 License Agreement ("Agreement") made on April 9, 2018 ("Effective Date") between King's College London' (KCL) ("Licensee") and MMAS Research LLC, 14725 NE 20th St. Bellevue, Washington 98007 ("Licensor")

I. Ownership, Term, and Fees

- A. The Licensee fully understands and agrees that the Morisky Widget MMAS Diagnostic Assessments are the exclusive property of Licensor and can't be licensed, divulged or distributed without the written permission of the Licensor.
- B. The Licensee fully understands and agrees that the Term for this License Agreement is perpetual, for an indefinite term, that can only be terminated for administrative or scientific misconduct.
- C. Licensee agrees to pay Licensor a one-time 2000 GBP fee for a perpetual Morisky Widget MMAS License with training and certification June 11th 2018 in London with 3000 complimentary MMAS-8 condition and specific tests provided after completion of training and certification on the Morisky Widget and the Morisky Protocol
- D. For any additional MMAS tests, Licensee will pre-pay 1 GBP for each additional test. If the number of MMAS tests ordered exceeds 20,000, a 50% discount will apply.
- E. Licensee can terminate this perpetual license anytime with or without cause, but no refund for any unused MMAS tests will be provided.
- F. Licensee will be allowed to manually administer MMAS tests with paper and pencil questionnaires anytime, but all MMAS tests must be scored and coded through the Morisky Widget
- G. Licensee will be allowed to use the Morisky Widget API to administer and score MMAS-8 tests through a third-party electronic questionnaire or medical record, but all MMAS tests must be scored and coded through the Morisky Widget.

II. TERMS OF USE

- A. The MMAS test data purchased by the Licensee is the exclusive property of KCL. The Licensor reserves the right to inspect all MMAS test results only in cases of administrative or scientific misconduct.
- B. Licensee agrees to adhere to all the terms and requirements of the Morisky Widget license, the copyright and the trademark guidelines in Appendix 1 for publications and poster presentations.
- C. Licensee will use the Morisky Widget for translational research or clinical applications of the Morisky Medication Adherence Protocol to optimize medication adherence for patients with chronic and infectious disease.
- D. Licensee agrees to be trained and certified on the Morisky Widget and the Morisky Medication Adherence Protocol.
- E. TRADEMARK: MMAS CODING & SCORING criteria are trade secrets of Licensor and as such can NEVER be divulged in any publication, presentation, or website without written permission from Licensor.
- F. TRADEMARK: Permission to use the Morisky name, brand, trademarks; TMMorisky Widget, TMMMAS, TMMMAS-4, TMMMAS-8, and TMMorisky Medication Adherence Scale" and translations of the TMMMAS will not be granted for any unauthorized use.
- H. TRADEMARK: The MMAS-8 trademark and copyright requirements provided in Appendix 1 must be included in all manuscripts, web postings or other publications containing Morisky Widget & MMAS results.
- I. In case of scientific, administrative, or intellectual property misconduct in using the Morisky Widget, the MMAS-4 and MMAS-8, Licensor reserves the right to withdraw permission for use and to pursue all legal remedies. All disputes arising under this license contract will be in the Los Angeles California Courts.

III. Copyright & Trademark

Requirements Licensee understands and

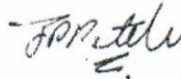

agrees that

- A. All licensees must submit to MMAS Research all manuscripts that are being considered for publication to make certain that all copyright and trademark requirements are included in all manuscripts submitted for publication.
- B. Licensor shall provide its approval or any feedback within 7 calendar days of receipt of any manuscript, and such approval shall not be unreasonably withheld. If Licensor does not respond within 7 calendar days, such approval shall be presumed. This is to protect the licensee as we have encountered many violations of federal and international copyright and trademark laws from clients as well as individuals who use Morisky Widget MMAS intellectual property without authorization. See Appendix I for copyright/trademark guidelines.
